DO NOT GO TO FALL BROOK!!

Out West a favorite practice is
 To brag about our cactuses;
 Of which the West not only
 has the mostest;
 But also those to skin and clothes
 Inclined to stick the closest.

Out West we never miss a chance
 To brag about our cactus plants;
 A theme on which we may be stuck
 for hours-

So hold your scorn for spine and thorn
 'Till you've seen cactus flowers.
