UPCOMING SDCSS SCHEDULE

UPCOMING SUMMER SHOW & SALE
June 6 - 7th

OUR NEXT MEETING
July 11th

EXECUTIVE BOARD

President	Kelly Griffin
Vice President	Der-shing Helmer
Secretary	Olga Batalov
Treasurer	Ken Brown

DIRECTORS

Rick Bjorklund, Patricia Bryan, Luis Gonzalez, Tom Knapik, Georgia Kenney, Rita Lunceford, and Jared Petker

COMMITTEES & SUBCOMMITTEES

Conservation	Herb Stern
Brag Table	Susan Hopkins & Rocco Piersanti
Plant of the Month	Denise Huntsman-Griffin
Summer/Winter Show	[open]
Historian	Jerry Garner
Grants	Jerry Garner
Library Committee	Luis Gonzalez
Exchange Plants/Seeds	Michelle Heckathorn
Annual Sales	Rita Lunceford
Auction & Holiday Plants	Kelly Griffin
Show Auction Manager	[open]
Monthly Plant Sales	Rita Lunceford
Benefit Drawing Table	Chuck Ramey
Programs	Kelly Griffin
Reception	Susan Hopkins & Candy Garner

New Member Orientation	Patricia Bryan & Jay Crowley
Monthly Regalement	Sandy Wetzel-Smith
Picnic Regalement	Georgia Kenney
Coffee in the Garden Coordinator	Jodi Visosky

LIAISONS

Balboa Park Desert Garden	Susan Hopkins
CSSA Affiliate Rep	Rick Bjorklund
SD Botanic Foundation	Lynn Elliot
SD Zoo Safari Park, Baja, & Old World Gardens	May Fong Ho
Palomar CS Society Liaison	Brita Miller

MEMBERSHIP, BUSINESS, & PUBLICITY

Membership	Olga Batalov
Business Manager	Donna Roden
Newsletter Editor	Der-shing Helmer
Webmaster	Jared Petker
General Club Publicity	Christie Lathrop
Show & Sale Publicity	Patricia Bryan & Emily Shuffield

All material submitted to the *Espinas y Flores* for possible publication may be edited in form and content and shared on the club's social media with attribution. All material contained in the *Espinas y Flores* may be reprinted by other non-profit organizations unless permission is expressly denied in a note accompanying the article. Reproduction in whole or part by any other organization without the express consent of the editor is prohibited.

Our shared meeting with the Epiphyllum Society on May 9th featured both Jerry Moreau and myself presenting. This joint meeting with the went smoothly and I truly enjoyed hearing Jerry's take on *Rhipsalis* as well as learning some new information I didn't previously know. Huge thanks to Jerry Moreau and the entire Epiphyllum Society for teaming up with us... we deeply appreciate our "sister" Society!

Our big tent **SDCSS Summer Show and Sale** is upon us! Please come out and hang out with us the first weekend in June (June 6th & 7th). Set-up will be all day Friday the 5th, so please stop by to drop off your best plants.

We know that your standout plants are screaming to be seen! The June Summer Show is where they want to be! Now's the time to bring those special plants to the park.

We really count on your support to make the June show spectacular. Thanks to all of you—our dedicated club members—it's always an incredible event. Please volunteer and sign up to spend the weekend with us; it promises to be an unforgettable experience.

This year we have so many things to be grateful for... We have a great group of volunteers and an amazing line up of vendors. And if that wasn't enough, this year we also *don't* have to compete with the Rock and Roll Marathon for commuting and the parking, whew! We need and appreciate your participation, so hopefully that bit of luck makes a difference.

I am sure that most have heard that the awful paid parking issue that was thrust upon is finally looking like it might actually go away. To the best of my knowledge, it will be over with by the first of next year unless something radically changes. I suspect the timing has to do with contract agreements that the city made with private companies with some time frame specified.

I appreciate everyone that made their voices heard, wrote letters, signed petitions, attended meetings and spoke up about and against this.

To mitigate the negative effects of this nuisance for the short term of our important Show and Sale, there are options that we have specified previously: carpooling, utilizing less-expensive options (such as the lower Inspiration Point parking area), registering your vehicle for city residents, etc.

If you live in the city, register your vehicle and take advantage of the free option. If you live outside the city (SD county or perhaps further away) we do have some **non-SD city resident volunteer parking passes** available. The important note about parking pass availability is that they are for volunteers that are not city residents (city residents should be able to get registered and park for free). Additionally, these passes must be returned to us. If you've already registered to be a volunteer, you'll have received an email from SDCSS Membership with information about how to reserve a pass.

Suffice it to say, if/when the paid parking situation is rectified, we hopefully won't have to deal with this for our next Winter Show in 2027.

We know it has been an exceptionally challenging year, but we're not backing down. Let's all work together to make this one of our best Show and Sales ever, and demonstrate the hard work, determination, and most of all—the LOVE of succulents—that makes our Society so special!

I am excited to see you in the park in June!

Aloe, and Aloe again!

Kelly Griffin

May 25, 2026

TINA ZUCKER'S CHOCOLATE IN THE GARDEN

Who: Succulent Gardening by Tina **Date:** Saturday, June 20th **Time:** 10:30am -2:30pm

Where: 552 Seabright Lane, Solana Beach.

Other notes: less than ½ mile from the Amtrak station, less than a mile to the beach.
Plenty of street parking.

You can walk around our property front to back and see all in ground and potted plants. I will have small and large plants for sale. In addition, I am selling some larger SPECIMENS that I have been growing for years. You can walk through my 3 greenhouses where I grow my personal plants. I will have garden ornaments for sale also. We recently planted many varieties in ground because that got too big for pots. They are looking great.

Probably best to bring CASH as not everyone accepts credit cards. Some of you are new to the SDCSS club and you may not know me but I would be happy to meet you and show you around.

- ◆ Club President **Kelly Griffin** always brings wonderful plants for us to buy.
- ◆ Long-time member **Jerry Garner** has new & beautiful pots to see and of course purchase
- ◆ DR CACTUS aka Doctor Cactus (**David & Rocio Carrasco**): David began over 20 years ago working for a nursery in Vista. In about 2017, he and Rocio started their own nursery. They are fabulous growers, and we will have their cactus and succulents available for purchase.
- ◆ We may have a surprise guest grower. You never know!

CACTI & SUCCULENT SHOW!

SAN DIEGO CACTUS & SUCCULENT SOCIETY
SUMMER SHOW & SALE
Sat June 6th & Sun June 7th 2026
 at the Casa del Prado in Balboa Park

Experience incredible out-of-this-world **SUCCULENTS & CACTI** from around the globe and shop for unique plants from dozens of vendors and local artisans. Enjoy **FREE ADMISSION** with extra-special early-bird shopping access on Saturday for SDCSS members!

TIMES & DATES

SATURDAY	9am – 11am	members-ONLY sale hours
	11am – 5pm	sale open to the public
	10am – 3pm	show times
SUNDAY	10am – 4pm	sale open to public
	10am – 4pm	show times

The show is open to anyone who grows succulent plants, and there is no limit to the number of entries per class or number of classes entered. Enter to win awards and prizes... first-time entrants are especially welcome!

Detailed show and membership info available at upcoming meetings, in our newsletters, and at our website www.SDCSS.net

LOOKING TO VOLUNTEER? WE'D LOVE TO HAVE YOU!

The Show & Sale is almost upon us... come join the fun! If you live out of town, apply for a non-city resident parking pass to take a bit of stress off your back. Plus, volunteers who sign up for 2 hours receive **thank-you club bucks** (great for purchasing even more plants!)

Sign up for your favorite role today from our [online volunteer sheet](#).

JUDGING SCALE - SPECIMENS, COLLECTIONS AND DISPLAYS

Condition: 70% Staging: 15% Size & Maturity: 10% Nomenclature: 5%

EDUCATIONAL DISPLAY

Two or more entries must be exhibited for CSSA award. Educational Value: 80% Staging & Originality: 20%.

AWARDS POINT SYSTEM

Divisions I, II and IV: 1st = 3 pts, 2nd = 2 pts, 3rd = 1 pts Division III: 1st = 7 pts, 2nd = 5 pts, 3rd = 3 pts
 Division V: 1st = 12 pts, 2nd = 10 pts, 3rd = 8 pts Division VI: no points but entries are eligible for plaques, trophies and rosettes Plaques and Trophies: 10 pts Rosettes: 5 pts

ENTRY NOTES: PLEASE USE THE MOST CURRENT CLASSIFICATION SCHEDULE. Classes 1-116 (except for 44,105 and 108-111) are divided into two pot sizes: **A and B** (A: Width plus Length = 10 inches and under; B: W+L over 10). Note that **one** plant per container is allowed in these classes.

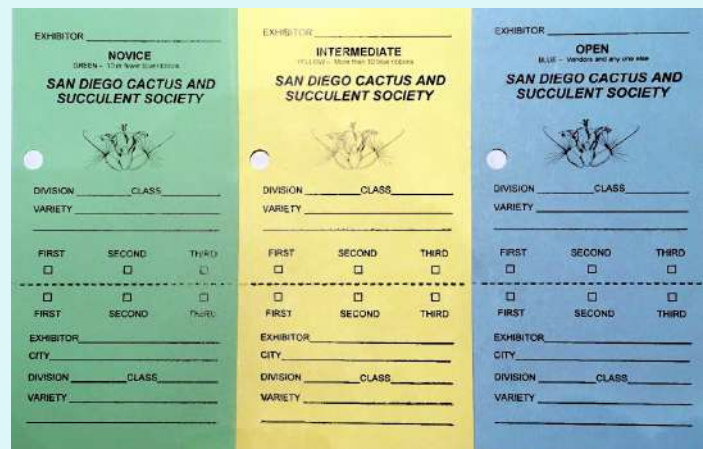

PLEASE FILL OUT BOTH TOP AND BOTTOM SECTIONS OF YOUR TAGS COMPLETELY. TAGS/ ENTRIES MISSING INFORMATION MAY BE DISQUALIFIED. THANK YOU!

GREEN cards for exhibitors that have won 10 or fewer blue ribbons in a recognized C&S show.

YELLOW cards are for participants that have won more than 10 blue ribbons.

BLUE cards are for vendors and those that wish to compete against them.

Awards will be selected from any category.

Don't miss our Summer Sale running alongside the show! We've lined up a group of exceptional, high-quality vendors offering rare and beautiful plants and unique pottery. It's your chance to shop from some of the best in the hobby!

RITA LUNCEFORD

The SDCSS Summer Show is open to anyone who grows succulent plants. There is no limit to the number of entries per class or the number of classes entered, though no entry can be entered in more than one class. All property shall be marked with the owner's name, not visible to the judges. The exhibitor must have grown the plant for at least six months.

All entries must have properly filled entry cards and must be entered in the appropriate Division and Class (see pgs 16 & 17) to be eligible for awards. Exhibitors are responsible for placing these items with their entries. For the *Best Plant Grown From Seed* award, the exhibitors must have raised the plant themselves. Plants may be species or hybrids. Hybrids may be exhibited in the class of either parent. Grafted plants will be accepted in any class, though awards for grafts will be selected from Division IV.

Entries must be clean, healthy, pest-free, and dry. Remove any plant nametags from pots (except for collections and displays). Awards must remain with exhibits until the close of the show. Classes with few entries may be combined. The show committee reserves the right to reject plants or exhibits and to readjust entries for the good of the show. Show hours must be followed. The San Diego Cactus and Succulent Society will exercise due caution in safeguarding exhibits. However, SDCSS cannot assume responsibility for loss of property. Entries are judged against perfection. The judges' decisions are final. In the case of disputes and/or ties, the Show Chair (or if the Chair's plants are involved, the Head Clerk) shall make the final decision.

Trophies and plaques are perpetual, except the educational and novice awards. Winners will receive a hand-crafted pot and a certificate suitable for framing. 1st, 2nd and 3rd place ribbons will be awarded in each class; however, should the judges feel that a 1st, 2nd, or 3rd place is not merited, no awards will be given. To receive the *CSSA Award*, two or more educational displays must be entered. Judges, Club President, and Show Chairman will each award two rosettes to their favorite plants.

CACTUS

Best Cactus	Phillip Corliss Plaque
Best Novice Cactus	SDCSS Plaque
Best Intermediate Cactus	Jürgen Menzel Trophy
Best Epiphytic Cactus Plant	William & Ruth Nelson Trophy
Best <i>Mammillaria</i>	Elibet Marshall Trophy
Best <i>Opuntiae</i>	James & Shirley Berry Trophy

SUCCULENTS

Best Succulent	Ruby Falk Plaque
Best Novice Succulent	SDCSS Plaque
Best Intermediate Succulent	Rudy Lime Trophy
Best <i>Agave</i>	Doris Rake Plaque
Best <i>Aloe</i>	Barbara Jeppe Trophy
Best <i>Bursera</i>	Jeff Harris Trophy
Best <i>Echeveria</i>	Oliver & Sophie Loyland Trophy
Best <i>Euphorbia</i>	Russell & Lydia Evans Cup
Best <i>Mesemb</i>	Samuel & Adela Markey Trophy
Best <i>Pelargonium</i> or <i>Sarcocaulon</i>	Wilna Johnson Trophy
Best <i>Sansevieria</i>	Richard G. Latimer, Sr. Trophy

CACTUS OR SUCCULENTS

Best Baja Plant	Richard G. Latimer, Jr. Memorial Trophy
Best Graft	Bob & Suzanne Taylor Trophy
Best Mexican Plant in Show	Dudley B. Gold Trophy
Best Plant Grown From Seed	Tegelberg Family Plaque
Rarest Plant in the Show	Terry & Collette Parr Trophy
Best San Diego County Succulent	Julianne Rice Trophy
Best Miniature	Monte & Mary Woodworth Plaque
Best Pachycaul or Caudiciform	H. Warren & Virginia Buckner Trophy
Best Succulent Bonsai	Rudy & Teresita Lime Trophy
People's Choice Award	Rose D'Attilio Memorial Plaque

DISPLAYS, EXHIBITS AND HIGH POINTS

Best Educational Display	CSSA Award
Best Exhibit	Reuben Vaughan Plaque
Most Artistic Display	Walter & Hazel Scott Plaque
High Points 25 or fewer entries	SDCSS Plaque
High Points 50 or fewer entries	James & Shirley Berry Trophy
Sweepstakes Trophy	Ronald & Marcia Monroe Trophy

DIVISION I: CACTI (CACTACEAE)	
1	Acanthocalycium, Chamaecereus, Echinopsis, Lobivia, Soehrensia
2	Acharagma, Coryphantha, Escobaria, Neolloydia
3	Ancistrocactus, Pediocactus, Sclerocactus
4	Ariocarpus
5	Astrophytum
6	Aztekium, Epithelantha, Obregonia, Ortegocactus, Pelecyphora, Strombocactus
7	Blossfeldia, Coleocephalocereus (Buiningia), Discocactus, Frailea, Uebelmannia
8	Columnar Cacti: Arrojadoa, Bergerocactus, Browningia, Carnegiea, Cephalocereus, Cereus, Cipocereus, Cleistocactus, Espostoa, Micranthocereus, Myrtillocactus, Pilocereus, Pilosocereus, Trichocereus
9	Copiapoa
10	Denmoza, Matucana (Submatucana), Oroya
11	Echinocactus, Ferocactus, Hamatocactus, Leuchtenbergia, xFerobergia
12	Echinocereus - pectinate spines
13	Echinocereus - straight spines
14	Epiphytic cacti: Disocactus, Epiphyllum, Hatiora, Hylocereus, Lepismium, Rhipsalis, Rhipsalidopsis, Schlumbergera (including Zygocactus)
15	Eriosyce (including Horridocactus, Neochilena, Neopterita, Pyrrhocactus)
16	Gymnocalycium - clustering species
17	Gymnocalycium - solitary species
18	Leafy cacti other than Pereskioideae: Pereskia, Leuenbergia, Rhodocactus
19	Mammillaria with hooked spines, solitary species
20	Mammillaria with straight spines, solitary species
21	Mammillaria with hooked spines, clustering species
22	Mammillaria with straight spines, clustering species
23	Melocactus
24	Opuntioideae: Austrocylindropuntia, Consolea, Cylindropuntia, Grusonia, Miquelopuntia, Opuntia, Pterocactus, Tephrocactus, Tunilla, etc.
25	Parodia, Notocactus
26	Rebutia, Aylosteria, Weingartia (including Cintia and Sulcorebutia)
27	Stenocactus (including Echinofossulocactus)
28	Thelocactus
29	Turbincarpus (Gymnocactus)
Other Cactus Classes	
30	Crested Cacti (50% or more crested)
31	Miniature Cacti, less than 3 inches
32	Monstrose Cacti (50% or more monstrose)
33	Variiegated Cacti (50% or more variegation)
34	Hybrid Cacti
35	Other Genera - Any Other Cactus (eg Pygmaecereus)
36	Cactus, Seed-Grown by Exhibitor
DIVISION II: SUCCULENTS	
AIZOACEAE (MESEMBRYANTHEACEAE):	
37	Conophytum
38	Lithops
39	Other Mesembs without prominent roots or trunks: Dinteranthus, Faucaria,
40	Other Mesembs with prominent roots or trunks: Aloinopsis, Mestoklema, Monilaria, Trichodiadema, etc.
APOCYNACEAE:	
41	Adenium
42	Pachypodium - Africa
43	Pachypodium - Madagascar
44	Plumeria
45	Stapeliads with succulent stems: Caralluma, Hoodia, Huernia, Orbea, Pseudolithos, Stapelia, etc.
46	Caudiciform Apocynaceae: Fockea, Gonolobus, Petopentia, Raphionacme, etc.
47	Vining/hanging stapeliads: Ceropegia, Cynanchum Dischidia, Hoya, Sarcostemma
ASPARAGACEAE	
48	Agave species
49	Agave hybrids (including xMangave)
50	Beaucarnea, Calibanus, Nolina, Yucca
51	Sansevieria, Succulent Dracaena
ASPHODELACEAE:	
52	Aloe - African species (including all species of Aloiampeles, Aloidendron, Aristaloe, Gonialoe, Kumara)
53	Aloe - Madagascan species
54	Aloe - all other species
55	Aloe - hybrids
56	Gasteria
57	Gasteria - hybrids
58	Haworthia, Haworthiopsis, Tulista, Astroloba - species
59	Haworthia - hybrids

CRASSULACEAE	
60	Adromischus
61	Aeonium (including Greenovia), Aichryson, Monanthes
62	Cotyledon, Tylecodon
63	Crassula
64	Dudleya
65	Echeveria
66	Graptopetalum (Tacitus), Pachyphytum, hybrids (xPachyveria, xGraptoveria)
67	Kalanchoe
68	Sedum, Sedum hybrids (xSedeveria)
69	Sempervivum (including Jovibarba)
70	Portulacaria (including Ceraria)
71	Alluadia, Alluadiopsis, Calyptrotheca, Decarya, Decaryopsis, Didierea
EUPHORBIACEAE:	
Euphorbia species endemic to Madagascar:	
72	Euphorbia Madagascan millii-type: genoudiana, gottlebei, horombensis, etc.
73	Euphorbia Madagascan shrub-type: bongolavensis, geroldii, millotii, etc.
74	Euphorbia Madagascan shrublet type: capsaintemariensis, francoisii, spirosticha, etc.
75	Euphorbia Madagascan stem-type: ankarensis, leuconeuria, stenoclada, etc.
Euphorbia species NOT endemic to Madagascar:	
76	Euphorbia caudiciform type: groenewaldii, knuthii, stellata, etc.
77	Euphorbia globular type: obesa, meloformis, gymnocalycioides, etc.
78	Euphorbia clumping type: polygona, ferox, tubiglans, etc.
79	Euphorbia medusoid type: caput-medusae, flanganii, supressa, etc.
80	Euphorbia, shrub type: gareipina, aeruginosa, baioensis, multifolia, etc.
81	Euphorbia, stem type: abdelkuri, bupluerifolia, clandestina, poisonii, etc.
82	Monadenium
83	Other Euphorbiaceae genera: Endadenium, Jatropha, Pedilanthus, Synadenium
OTHER SUCCULENT FAMILIES	
84	ANACAMPSEROTACEAE: Anacampseros (including Avonia), Grahamia, Talinopsis; MONTIACEAE: Cistanthe, Lewisia; PORTULACACEAE: Portulaca; TALINACEAE: Talinum
85	ASTERACEAE (COMPOSITAE): Leptosyne (Coreopsis), Kleinia, Othonna, Senecio, etc.
86	BROMELIACEAE: Cryptanthus, Dyckia, Hechtia, Tillandsia, Etc.
87	CUCURBITACEAE: Cephalopentandra, Corallocarpus, Gerrardanthus, Ibervillea, Kedrostis, Momordica, Xerosicyos, Zygosicyos, etc.
88	FABACEAE: Delonix, Dolichos, Erythrina, Neorautanania, Pachyrhizus, Senna, Tylosema
89	GERANIACEAE: Monsonia, Sarcocaulon, Pelargonium, etc.
90	GESNERIACEAE: Sinningia
91	MORACEAE: Dorstenia, Ficus
92	PASSIFLORACEAE: Adenia
93	VITACEAE: Cissus, Cyphostemma
OTHER SUCCULENT CLASSES	
94	Succulent Bulbs: Albuca, Boophane, Bowelia, Bulbine, Haemanthus, Ledebouria, Massonia, Veltheimia, etc.
95	Caudiciforms: e.g. Carica, Dioscorea, Ipomoea, Jacaratia, Pyrenacantha, Stephania, etc.
96	Cycads
97	Orchids
98	Pachycauls - New World, e.g.: Bursera, Ceiba, Cyrtocarpa, Ficus, Fouquieria, Pachycormus, Pachira, Pseudobombax, etc.
99	Pachycauls - Old World, e.g.: Adenonia, Brachychiton, Boswellia, Commiphora, Dendrosenecio, Dendrosicyos, Ficus, Moringa, Operculicarya, Sterculia, etc.
100	Succulent, Seed-Grown by Exhibitor
101	Miniature Succulent - pot diameter less than 3 inches
102	Crested & Monstrose Succulents (50% or more crested or monstrose)
103	Variiegated Succulents (50% or more variegation)
104	Other Genera: any other succulent genus, e.g. (Uncarina, Zamioiculcas)
DIVISION III: Collections & Arrangements	
107	Cactus Collections: a set of 3+ different cacti specimens related by a common theme, genus, form, color, or other characteristic
108	Succulent Collections: a set of 3+ different succulent specimens related by a common theme, genus, form, color, or other characteristic
109	Dish Gardens: any combination of two or more in a single pot
DIVISION IV: SPECIALITIES COMBINING CACTI & SUCCULENTS	
110	San Diego County native cactus or other succulent
111	Baja, Mexico cactus or other succulent
112	Grafted cactus or succulent
113	Succulent Bonsai
DIVISION V: DISPLAYS	
114	Educational displays and exhibits
DIVISION VI: ART	
115	Paintings, sculpture, carvings, textiles, etc.
116	Photography

Short-leaved Liveforever *Dudleya brevifolia*, spotted on a hike with SDCSS friends

Olga Batalov

Torrey Pines *Bergerocactus emoryi*

Olga Batalov

Echinocereus engelmannii ssp. *engelmannii* Olga Batalov

A bit of furry *Agave albopilosa* to match the fuzz featured on the cover of this issue

Kelly Griffin

Do you come to meetings early and enjoy talking to new SDCSS members? **We are seeking a volunteer to help hand out new member ID cards at the meetings.** If interested in learning more, please reach out to us at membership@sdcss.net

The SDCSS monthly newsletter welcomes all contributions from its members!

If you have a personal contribution related to cacti and succulents that you'd like to share with the club, please let us know, and you could see your work in a future issue. We'd love to hear from you!

Contact the editor: eyf.editor@gmail.com

SAN DIEGO
Cactus & Succulent Society

SDCSS members showed up for the May Meeting's Brag Table!

Thank you for bringing in your plants to ring in the new year, and thanks to **Kelly Griffin** for reviewing this table from our members. Now it's time for the big leagues. We can't wait to see you and your very best summer plants at the 2026 Summer Show on June 6th and 7th!
