Even with grey skies and drizzly weather outside, our last meeting was bursting with sunshine, inspiration, and amazing plant passion! We had two absolute show-stopping presentations:

- **Jared Petker** shared the roots of his motivation and the journey behind his growing new business—all sparked by his love for Euphorbias! His program was so thoughtfully put together and a joy to watch.

- **Dylan Zoller** from Sherman Gardens whisked us away on a virtual journey through Brazil! His spectacular photos of rare Cacti and Bromeliads—paired with lively tales from the field—really brought the expedition to life. Can you believe Dylan is only in his early twenties?! We're keeping our fingers crossed that he stays fueled by his plant passion for many years to come, and we can't wait to have him back to share his next big adventure!

Next, get ready for something fresh and exciting with the **November Nursery Crawl!** Details are in this newsletter. While we navigate missing our Prado room for a few months each year, we're keeping the energy high with fun alternative events. (Fun fact: this challenge isn't just ours! When I gave a talk recently for the South Coast Cactus and Succulent Society at the Torrance Municipal Airport, I learned they've had similar hurdles at the South Coast Botanical Garden.) We hope this unique outing is a blast and brings everyone together in a fun new way!

Mark your calendars! Our next big celebration is **our yearly holiday party**!

- **Great news:** We've kept the ticket price the same as last year, with the club happily covering a portion.
- **Bonus:** Every registered club member gets a gift plant!
- **Sign ups are live:** Please jump online and register ASAP! Knowing our headcount early helps us make sure there's plenty of food and enough gift plants for everyone.

As my final term as your president winds down, my heart is full. While I didn't get to check every single goal off my wish list (there's never quite enough time!), I am so proud of and grateful for everything we accomplished together.

I have absolute confidence in our incoming board! They are an unbelievably

capable group, and I can't wait to watch them shine as they take on new goals and exciting projects. Don't worry— I'm not going anywhere! I'll still be right here, ready to pitch in and help out whenever needed.

Thank you from the bottom of my heart to every single person who has contributed to our club. Please keep that wonderful momentum going! We have so much fun on the horizon, and it wouldn't be the same without you.

Thank you to Chuck for hosting a gorgeous and festive Halloween Coffee in the Garden! **Jared Petker**

November 14th! Save the Date, because it's the...

SDCSS NOVEMBER NURSERY CRAWL

This November, instead of a standard meeting, we'll be throwing a **San Diego-wide Nursery Crawl**! Visit one of the great nurseries on our list or visit all of them... it's up to you! Nurseries will offer plants, pots, special event-only pricing and incentives, guest vendors, and more. It's a perfect time to find a lovely winter-growing plant ahead of the holidays as a gift for a friend...or maybe just for yourself!

The following vendors are confirmed, with more vendors and details to come in the next newsletter!

SAN DIEGO Cactus & Succulent Society

GET READY FOR OUR DEC 12TH HOLIDAY PARTY

10:30-11:30: Check-in socializing, talking plants, checking out the gift plants, gift exchange plants, and auction items. We will also have a short meeting to formally elect our officers for 2027.

12:00: Catered lunch served (vegan options available), pot-luck desserts (please bring one to share), and gift exchange.

1:00: Numbers will be called for gift plants.

2:00: Silent and Live auctions

MENU

Standard option: Oven-roasted turkey breast, baked ham, homemade bread dressing, mashed potatoes with gravy, cranberry sauce, green bean casserole, traditional green salad with either ranch dressing or balsamic vinaigrette, rolls and butter, plus potluck desserts, wine, coffee, and tea.

Vegan option: Vegan ancient grain bowl (quinoa and farro with roasted vegetables, avocado and balsamic glaze).

MORE INFO

Potluck desserts: Bring your favorite dessert to share! Please bring a serving utensil if needed.

Gift Plants: SDCSS provides a free plant to all members. You will be given a ticket when you check in—save it for the drawing!

Gift Exchange (optional)**:** You are invited to bring a plant to participate in the exchange, just put your name on the plant. A panel of judges will select the "Best Plant", and the owner of that plant then gets first pick of all remaining plants. The owner of the plant they select then picks, and this continues until all plants are gone. Bring only one plant per person.

Silent auction: There will be a variety of items donated, along with centerpieces which will be auctioned off during the party. Items will have cards to enter your bids. The highest bid at the close of the auction buys the item. If you want to donate an interesting cactus-related item you think someone would like, please bring it along.

Live auction: We will have a wonderful selection of donated plants and items for a Live Auction. This event is lots of fun and the proceeds will be contributed towards the conservation of endangered cacti and succulents.

Tickets available until *November 30th
$35 for members and **$40 for non-members**
in-person at the October meeting
or online **at this link on our website**.
