PRESIDENT'S MESSAGE

Greetings! Our April meeting was quite a treat! So fun to see Buck Hemenway and hear about how he has settled into life in South Africa. The movie that Buck shared, **Survival of the Fattest**, was entertaining with some beautiful shots of South Africa and its many fantastic plants. Thanks to Buck for providing a DVD of this movie to those who wanted one—we will have one in our library if you want to check it out!

Speaking of **Library**, ours is back in operation after a long hiatus due to the pandemic followed by technical difficulties. We were finally able to check books out again at the April meeting. If you have not yet experienced our library, we have an extensive collection of books related to succulent plants which members are able to borrow at monthly meetings—look for the library in July when we will be back to normal meetings. **If you have books that you checked out before the pandemic, please bring them back in July.** I will have to remind myself to bring back one I have! Many thanks to all who helped get the library computer issues sorted out, especially May Fong-Ho!

As we have mentioned, **our May 14 meeting is going to be a bit different.** Kelly had secured us a wonderful new speaker for May 14, only to discover later that we had been pre-empted for our regular meeting room. Instead of missing out on this speaker, we opted to move our meeting to **Room 104 on May 14** — as this room is occupied by the Bromeliad Society in the morning **we will not be able to get into that room until 1:00 PM.** Due to this change in time and the smaller room, we have **canceled** our May plant sale, our May Benefit Drawing, and the May Brag Table. **What we will have is an extended Exchange Table, sales of our newly re-released 50th Anniversary t-shirts, short talks from the team leads of the June Show & Sale so everyone can learn more about volunteering, AND a fantastic main speaker!**

I look forward to seeing you **May 14** for this very special meeting.

Pam Badger

April 21, 2022

SHARE YOUR PASSION!

Have you ever read the *Espinosa Y Flores* Newsletter 'Plant of the Month' article and thought - "I could do that!" Why not participate by writing a piece for our **Plant of the Month** feature?

Pick a genus or species that interests you, do a little research, find or take a few pictures and create an article to share with the club!

CLUB NOTICES

SDCSS MAY SPEAKER

Join us **Saturday, May 14th** for our meeting and speaker **Stefan Burger**, with his program **Copiapoa**.

Our program: Copiapoa are endemic to northern Chile and live in one of the country's most intriguing habitats - the Atacama fog desert. This talk includes in depth discussions about Copiapoa ecology, taxonomy and conservation. Our journey begins in Chile's Valparaiso Region and takes us all the way north to the edge of the world's driest non-polar desert—the Atacama.

Our speaker: Stefan Burger is an Australian naturalist and environmental consultant living in Chile. He has an academic background in Applied Sciences and developed a fascination for cacti and other exotic plants from a young age. He now facilitates habitat tours in South America, works in conservation and independently researches cacti and desert ecology.

See you at 1pm for the May 14th meeting!

CLUB NOTICES

SPECIAL EXPANDED PLANT EXCHANGE

As many of us can't imagine a SDCSS meeting without plants, and given the limited space in room 104 where we will be meeting on May 14, we have opted for an **expanded plant exchange**.

We invite everyone to bring a potted plant and/or a few cuttings and participate in the exchange. Tables will be set up outside of room 104 around 12 PM for you to bring your plants. In an effort to bring more education with the exchange, we are asking that plants be labeled with botanical and/or common names. We will provide rubber bands and labels for identifying plants - if you don't know the name - this is a good time to ask other members about them and learn!

The exchange will be like a regular meeting - you will get a ticket when you bring the plants and there will be a drawing at the end of the meeting. Let's make this a fun opportunity to learn more about plants and meet fellow members.

PAM BADGER

SDCSS T-SHIRT RE-RELEASE

Newly re-released SDCSS tees will be available at the May meeting in a variety of colors and sizes—both regular and women's styles, beautiful digital printing on quality cotton with our club logo on the sleeve.

Be there and get your first choice!

VOLUNTEERS NEEDED

SDCSS is once again going to have a booth at the Fair in Del Mar on Friday July 1, 2022. I will need 2-3 volunteers for most of the day. Volunteer participants will receive free entrance to the fair and time off to explore.

Contact me if interested at pambad1@mac.com

THE SAN DIEGO CACTUS & SUCCULENT SOCIETY'S SUMMER SHOW AND SALE

Sat June 4 & Sun June 5, 2022

	10am—3pm	show times
SUNDAY	10am—3pm	sale open to public
	10am—3pm	show times

2022 SHOW COMMITTEE

SHOW CHAIR: Dean Karras

SALES CHAIR: Chris Miller

HEAD CLERK: Susan Hopkins

LUNCHEON: Pam Badger

The show is open to anyone who grows succulent plants, and there is no limit to the number of entries per class or the number of classes entered.

You can pick up show tags early at the May meeting, or get them at the show.

Full show rules, judging and award info, plant divisions, classes and categories, as well as tips for displaying your show plants available soon in this newsletter and on our club website www.SDCSS.net

THE SAN DIEGO CACTUS & SUCCULENT SOCIETY P. O. Box 33181, San Diego, Ca 92163-3181,
is a public service and educational (nonprofit tax exempt) organization.

2022 SDCSS SUMMER SHOW INFORMATION & RULES

The SDCSS Summer Show is open to anyone who grows succulent plants. There is no limit to the number of entries per class or the number of classes entered, though no entry can be entered in more than one class. All property shall be marked with the owner's name, not visible to the judges. The exhibitor must have grown the plant for at least six months.

All entries must have properly filled entry cards and must be entered in the appropriate Division and Class (see pgs 9 & 10) to be eligible for awards. Exhibitors are responsible for placing these items with their entries. For the *Best Plant Grown From Seed* award, the exhibitors must have raised the plant themselves. Plants may be species or hybrids. Hybrids may be exhibited in the class of either parent. Grafted plants will be accepted in any class, though awards for grafts will be selected from Division IV.

Entries must be clean, healthy, pest-free, and dry. Remove any plant nametags from pots (except for collections and displays). Awards must remain with exhibits until the close of the show. Classes with few entries may be combined. The show committee reserves the right to reject plants or exhibits and to readjust entries for the good of the show. Show hours must be followed. The San Diego Cactus and Succulent Society will exercise due caution in safeguarding exhibits. However, SDCSS cannot assume responsibility for loss of property. Entries are judged against perfection. The judges' decisions are final. In the case of disputes and/or ties, the Show Chair (or if the Chair's plants are involved, the Head Clerk) shall make the final decision.

Trophies and plaques are perpetual, except the educational and novice awards. Winners will receive a hand-crafted pot and a certificate suitable for framing. 1st, 2nd and 3rd place ribbons will be awarded in each class; however, should the judges feel that a 1st, 2nd, or 3rd place is not merited, no awards will be given. To receive the *CSSA Award*, two or more educational displays must be entered. Judges, Club President, and Show Chairman will each award two rosettes to their favorite plants.

CACTUS

Best Cactus	Phillip Corliss Plaque
Best Novice Cactus	SDCSS Plaque
Best Intermediate Cactus	Jürgen Menzel Trophy
Best Epiphytic Cactus Plant	William & Ruth Nelson Trophy
Best <i>Mammillaria</i>	Elibet Marshall Trophy
Best <i>Opuntieae</i>	James & Shirley Berry Trophy

SUCCULENTS

Best Succulent	Ruby Falk Plaque
Best Novice Succulent	SDCSS Plaque
Best Intermediate Succulent	Rudy Lime Trophy
Best <i>Agave</i>	Doris Rake Plaque
Best <i>Aloe</i>	Barbara Jeppe Trophy
Best <i>Bursera</i>	Jeff Harris Trophy
Best <i>Echeveria</i>	Oliver & Sophie Loyland Trophy
Best <i>Euphorbia</i>	Russell & Lydia Evans Cup
Best <i>Mesemb</i>	Samuel & Adela Markey Trophy
Best <i>Pelargonium</i> or <i>Sarcocaulon</i>	Wilna Johnson Trophy
Best <i>Sansevieria</i>	Richard G. Latimer, Sr. Trophy

CACTUS OR SUCCULENTS

Best Baja Plant	Richard G. Latimer, Jr. Memorial Trophy
Best Graft	Bob & Suzanne Taylor Trophy
Best Mexican Plant in Show	Dudley B. Gold Trophy
Best Plant Grown From Seed	Tegelberg Family Plaque
Rarest Plant in the Show	Terry & Collette Parr Trophy
Best San Diego County Succulent	Julianne Rice Trophy
Best Miniature	Monte & Mary Woodworth Plaque
Best Pachycaul or Caudiciform	H. Warren & Virginia Buckner Trophy
Best Succulent Bonsai	Rudy & Teresita Lime Trophy
People's Choice Award	Rose D'Attilio Memorial Plaque

DISPLAYS, EXHIBITS AND HIGH POINTS

Best Educational Display	CSSA Award
Best Exhibit	Reuben Vaughan Plaque
Most Artistic Display	Walter & Hazel Scott Plaque
High Points 25 or fewer entries	SDCSS Plaque
High Points 50 or fewer entries	James & Shirley Berry Trophy
Sweepstakes Trophy	Ronald & Marcia Monroe Trophy

2022 SDCSS SUMMER SHOW INFORMATION & RULES

ADDITIONAL SUMMER SHOW INFORMATION

SHOW AND SALE FOOD

SDCSS will once again be providing breakfast and lunch for vendors and volunteers at the June Show and Sale.

As covid restrictions have lightened up considerably, we will be using a hybrid of the old ways and how we operated in February. There will be lunch time tickets included with your badge for both days, and we will be eating outside. Food will be a bit more varied and you will be able to make your own sandwiches. We will bring back pot-luck salads and desserts so bring something to share if you are so inclined. A few crock-pots of chili would be appreciated - if you are able to contribute, please let me know at pambad1@mac.com.

Coffee, tea, and breakfast foods will be available in the mornings.

If you are not already signed up elsewhere, please come help out in the kitchen. We will be requiring masks to be worn in the kitchen. **Thanks for your cooperation!**

PAM BADGER

EARLY SHOPPING CHANGES

With the new wonderful E-cards for our Membership Cards, the following new rules will be in place for our upcoming Early Shopping Events.

ABOUT: Choose from 5 ways to show your current member status at the entrance for Early Shopping:

1. Paper (Membership) card with proper expiration date
2. Copy of E-card from your desktop
3. E-card image on your cell phone
4. Image of your pay-pal receipt on your cell phone
5. Proof of joining/renewing at the tent that morning.

IMPORTANT CHANGES:

1. If you don't have 1 of the 5 documents to show you're a current member, you won't be able to shop early
2. The Welcome tent will no longer have a membership list to check if you are a current member

NEW MEMBER CARD SYSTEM

Your membership card now comes in E-card format!

Every new member as well as renewing member has received an E-card by email with a valid through date.

- o Use at library and early entry for special events such as the yearly Show and Sales.
- o Your card will be emailed within 1 week of receiving your membership dues payment.
- o Image provided in .jpeg format so it can be stored digitally or physically printed

A traditional paper Membership card will be printed for those without email or smart phone. Pick up your card at Welcome Table. Contact membership@sdcss.net if you have any questions.

APRIL 2022 BRAG TABLE WINNERS GALLERY

We asked SDCSS members to bring their best plants to share for the November Meeting's Brag Table, judged by our wonderful guest speaker Buck Hemenway!

Reminder: due to our limited room use and meeting time, there will be **no** May 14th brag table.

Thankfully you can use this extra time to get your plants clean and primed up for the upcoming June Show!

APRIL BRAG TABLE RESULTS: NOVICE CACTUS
